Policy Statement 2

Policy Statement

Lindfield Repair Café C.I.C (LRC) was formed through the recognition of the desire to reduce waste within the community of Lindfield, Haywards Heath. LRC strives to provide support, help, advice and guidance “Recycle, Reuse and Reduce Waste”, raise the profile of community cohesion, share good practice and provide an activity development programme that has a real impact on the environment and community life.

Protection of the environment in which we live and operate is part of LRC’s core values and principles with an ethos of “Recycle, Reuse and Reduce Waste”, and we consider it to be sound business practice. Care for the environment is one of our key responsibilities and an important part of the way in which we do business.

In this policy statement we commit our company to:

- Complying with all relevant environmental legislation, regulations and approved codes of practice.
- Protecting the environment by striving to prevent and minimise our contribution to pollution of land, air, and water.
- Seeking to keep wastage to a minimum and maximise the efficient use of materials and resources.
- Managing and disposing of all waste in a responsible manner, recycling and repurposing wherever possible.
- Providing training for our staff and volunteers so that we all work in accordance with this policy and within an environmentally aware culture,
- Regularly communicating our environmental performance to our employees and other significant stakeholders.
- Developing our management processes to ensure that environmental factors are considered during planning and implementation.
- Monitoring and continuously improving our environmental performance.

The policy statement will be regularly reviewed and updated as necessary. The directors endorse these policy statements and are fully committed to their implementation.
